

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

Stephen D. Hambley called the meeting to order at 9:30 a.m. with Sharon A. Ray and Patricia G. Geissman present.

The meeting opened with the Pledge of Allegiance and a Prayer.

At the beginning of the meeting the oral reading of the June 23rd minutes were dispensed with. Each Commissioner has read them personally. Ms. Geissman moved to approve the minutes and Ms. Ray seconded the motion. There was no discussion. Mr. Hambley and Ms. Ray voted AYE. Mrs. Geissman abstained because she did not attend the meeting. Motion carried.

Doug King, Administrative Assistant in the County Engineers Office, presented two (2) resolutions. The first one was to close W. 130th Street between S. R. 3 and Sleepy Hollow Road for culvert repair on Tuesday and Wednesday. The second resolution was approving the final plat for Stonehurst Subdivision in Brunswick Hills Township. Mrs. Geissman moved to approve both resolutions and Ms. Ray seconded the motion. There was no discussion. Roll Call showed all Commissioners voting AYE.

Commissioners reviewed the weekly permits list.

Chris Jakab, Finance Director, presented and reviewed 19 resolutions involving amending the 2003 appropriations by transferring appropriations; various fund transfers; authorizing the purchase of gasoline for the Engineering Center; a revenue adjustment crediting the Workforce Development Fund and debiting the Public Assistance Fund for revenue received by Job & Family Services; expenditure adjustments for various grant funds; approving a revised internship agreement between the Department of Planning Services and the University of Akron determining the intern's rate not to exceed \$2,800 for the period between May 26, 2003 through August 2, 2003, which is payable through the Tax Mapping Fund; approving the submission of an FY 2004 Ohio Highway Safety Safe Communities Program grant application to the Ohio Highway Safety Office in the amount of \$36,500 for period of October 1, 2003 through September 30, 2004 (this resolution had a typing error that will be corrected); creating new grant funds - Community Corrections Act Department's Intensive Supervision Probation/Home Arrest Program, Community Corrections Act Adult Probation Department for Intensive Supervision Program, Office for Older Adults FY04 Fund for \$23,022, Office for Older Adults Alzheimer's Disease Network Fund for \$21,400, Family First Council Help Me Grow Fund that is a temporary amount for \$69,625, Family First Children's Trust Fund Grant Fund for \$52,391, Drug Task Force FY03 Fund that is grant money received from MCDAC in the amount of \$424,000, Juvenile Court – MCDAC Fund for \$20,000 that is part of the funding for the new Drug Court, Felony Delinquent Care FY04 Fund for \$482,355 to partially pay for New Horizon's salary and benefits and various court and Detention Center programs, and a Workforce Development FY03 Fund for \$250,000 that is a temporary amount until they receive final allocations from the Ohio Department of Job & Family Services; accepting and awarding the bid for the Recorder's Office for document scanning services to Document Technology Systems with the unit price amount of \$0.0650 per image; and the weekly bills in the amount of \$911,209.43. Mrs. Geissman moved to approve the 19 finance resolutions and the weekly bills and Ms. Ray seconded the motion. There was no discussion. Roll Call showed all Commissioners voting AYE.

Gary Berkowitz, Human Resources Director, presented and reviewed the personnel resolution. Mrs. Geissman moved to approve the personnel changes. Seconded by Ms. Ray. There was no discussion. Roll Call showed all Commissioners voting AYE.

John Stricker, County Administrator, presented a resolution amending the Table of Organization for the Office for Older Adults because they added, deleted, and modified positions. He said that the changes were made in order to respond to the contract with Jobs & Family Services for Adult Protective Service work. Mrs. Geissman moved to approve the resolution and Ms. Ray seconded the motion. There was no discussion. All voted AYE the motion carried.

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

John also presented and reviewed a resolution authorizing the submission of an application for funding under the Small Cities Community Development Block Grant (CDBG) Program for FY 2003. The projects that were determined to have the greatest impact upon the county's housing and community developments needs were as follows:

Fair Housing		\$ 5,000
Medina County Transit	(Public Service)	33,100
Human Services Building	(Parking Lot Expansion)	72,000
Village of Lodi	(Fire & Emergency Sirens)	29,000
ADAMH Board	(Housing Construction)	15,000
Village of Chippewa Lake	(Stop Signs Purchase)	3,200
Society for Handicapped Citizens	(Playground Equipment at Camp Paradise)	32,700
Administration		31,000

The total amount of the award is \$221,000. Mrs. Geissman moved to approve the resolution and Ms. Ray seconded the motion. There was no discussion. Roll Call showed all Commissioners voting AYE.

The next resolution that John presented was authorizing the submission of an application for funding under the Small Cities Community Development Block Grant (CDBG) Water and Sewer Program on behalf of the Sanitary Engineers Office for Chatham Township in the amount of \$590,000. The project is estimated to be a total of \$982,200 for new waterline construction on parts of Avon Lake Road, Chatham Road, Kohli Drive, Coon Club Road, and Vandemark Road.

The last resolution John presented was authorizing submission of an application for the same type of grant on behalf of the Sanitary Engineers Office for replacement waterline construction in the Village of Chippewa Lake in the amount of \$500,000. The total project cost will be \$524,364. It will affect many of the waterlines, valves, and hydrants within Chippewa Lake. He said both of the grant applications are competitive in nature and they will find out in the near future how they made out. Mrs. Geissman made a motion to approve the two resolutions and Ms. Ray seconded the motion. There was no discussion. Roll Call showed all Commissioners voting AYE.

Ken Hotz, Sanitary Engineer, had no resolutions to present.

Mr. Hambley read a resolution reappointing members to the Alcohol, Drug Addiction & Mental Health (ADAMH) Board. The terms for Carol Lepi and Patricia Robertson expired and both wished to serve another term. Mrs. Geissman moved to approve the reappointments that would end on June 30, 2007, and Ms. Ray seconded the motion. There was no discussion. Roll Call showed all Commissioners voting AYE.

Mr. Hambley read a resolution appointing representatives to the Medina County Weapons of Mass Destruction/Terrorism Advisory Team. He said that they had previously passed a resolution appointing members on July 2, 2003. The Board wishes to add Mark Totten, York Township Trustee, and Conrad Sarnowski, Seville Village Mayor, to the Advisory Team. Mrs. Geissman moved to approve the appointments. Seconded by Ms. Ray. There was no discussion. Roll Call showed all Commissioners voting AYE.

The Assistant Clerk read the resolution to allow expenses of county officials. Mrs. Geissman moved to approve the expenses. Ms. Ray seconded the motion. There was no discussion. All voted AYE and the motion carried.

Mr. Hambley opened up the floor for public comment. No one wished to speak at this time. He announced the Discussion Session would be immediately following this meeting. After that there will be an Executive Session to discuss personnel/compensation.

Commissioners recessed at 10:00 a.m.

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

Commissioners reconvened at 10:03 a.m. for the Discussion Session. The first item for discussion was the Board of Election's lease agreement with the Board of Health. Don Simmons, Board of Elections member, explained that federal law now requires that the Boards of Elections throughout the country implement a new election system, and there will be no more punch cards. The system needs to be in place in order to conduct the Presidential Election next year. A couple of months ago, John Stricker, County Administrator, put out a request for proposal (RFP) for space because the existing facility is much too small, but none of the RFQ's met their needs. They got the opportunity to look at some space at the Health Department building, and although it was not as big as they originally intended, they felt they could make it work. Don displayed a drawing of the building's proposed interior alterations.

He said the Board of Elections ratified the lease agreement last Friday and the Board of Health empowered two of their people to meet with them to work out the details of a lease arrangement. Carol Shockley, from the Medina County Prosecutor's Office, is in the process of drawing it up. The Board of Elections will lease 44,046 square feet of space that they would have sole use of, and they will share with the Health Department an additional 580 sq. ft. toilet room and a 1,997 sq. ft. multi-purpose/meeting room. The meeting room has video conferencing capabilities so it will enable them to do poll worker training there.

It will be a ten-year lease, which would have built into it the ability to be relieved of it should they outgrow the facility and the Board of Health cannot give them additional space. Although at this time there appears to be room to grow, they wanted that provision so they would not be locked in.

The storage area for the 600 voting units needs to be in an air-conditioned, climate controlled area. He pointed out the area that would be appropriate for this purpose. Don showed the Commissioners a drawing of a storage rack of their own design that would be built, perhaps locally, under a separate contract. There are now 147 precincts in Medina County. The racks they want to purchase will have the capacity to handle about 162 precincts, and that would give them a three or four year growth period. There is room for other racks for future use.

Don explained that a sign would direct the public to enter on the east side of the building where there would be a counter and a small boardroom right off the entrance. If they need more room to meet, they can use the multi-purpose room. The lease will reflect the fact that they share the multi-purpose room, and they will have to go through a scheduling process, which should not present a problem.

John Stricker pointed out that the Board of Elections has been sharing the meeting rooms in the Administration Building for years, and it has never been a problem.

Don said that the forms for candidates would be by the counter. The absentee and provisional voting room is close by that can be monitored by a control person. There will be offices for the Director and Deputy. An equipment room will hold the counting devices, an optical scanner, and computer equipment. Another area will have the Secretary of State's unit, a fax, copier, and a courtesy desk. There will also be other offices, a workroom, lunchroom, and records storage. Don said that Election Boards have a unique requirement. Because there is sensitive equipment that can affect the election either after they are programmed, or after they are voted, but before everything gets finalized, it has to be under double lock (one by each party) after business hours. The three rooms would be able to have that condition.

He said the staff feels that the Health Department's building would work for them. They would not be able to move by September 1st as the Board of Elections had hoped. There is an election in November so they cannot move until after that. Now their plan is to move on December 1, 2003. Kerry Illes is the architect and they need approval to go out to bid.

John Stricker said that Kerry Illes' proposal for payment for the work is on a time and material basis. He is charging \$75 an hour for an estimated 125 hours not to exceed 125 hours.

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

They chose Kerry because he is a local businessperson, and because he is familiar with the building because he was involved in its construction.

Don said that the construction contract involves tearing out some partitions and rebuilding the area. The racks would be a separate contract. He said that they do not intend to move into the new offices with the old furniture. He has information from Corporate Express for the State Cooperative Purchasing Program since they would not have to go out to competitive bid for that small of an amount. They are working on the color selection with the architect. The area will be available to the Board of Elections by August 1st; the contract will start and the first lease payment will be due on September 1st; and they plan to move in on December 1st. The agreed upon building rental cost will be \$10 per square foot for the first year with a 2% increase each year after that. The Board of Elections will represent 14.19% of the total building so they have agreed to the pro-rata cost of the total utility cost of the building where they are using it exclusively. This will save about \$50,000 to \$75,000 in renovation costs by not separately metering the utilities. Where they are sharing rooms they will pay 14.19% of the utilities and add 335 sq. ft. to the square footage in determining the rent. If they do not pay for usage of the shared rooms they would stand to lose the use of them if the Health Department wanted to put offices in them. It comes out to be about 5,000 total square feet for use by the Board of Elections, which is about 4,000 sq. ft. less than they previously thought they were going to have to utilize.

John Stricker asked Don what his rough estimate was on the cost of the renovation of the interior of the building, and Don said they have a very rough estimate of \$130,000. Don added that however they share the cost – the Medina County taxpayer is paying for all of it on both sides. Both departments get their funding from taxes.

Mr. Hambley said that the good location, access, and visibility are very important to the voting public so this is a good choice. The Health Department building is also very competitive, and perhaps even superior, to the other options.

There was a short discussion about the county's computer backbone and phone system and also about funding for the project. Mr. Hambley asked Don if the Board of Elections would purchase the furniture under the current budget or if it required a separate line item. Don said that it would be a part of the cost of the move. Chris Jakab, Finance Director, said he created a separate fund for receipt of the \$250,000 from the General Fund for various purposes including equipment and voting machines. John asked Don if there was going to be enough money from the state to pay for the machines. Don said that if you listen to the Secretary of State – there is enough money, but he is not convinced. They would use Diebold, who is the leader in the field. Their system allows for multiple precincts to vote in the same hall so they would not need as many machines. He figures they will need 600 units. Each voter gets a "Smart Card" when they enter, and it is programmed so they can cast their vote in any machine in the county. The same units that are in the polling places can also do the counting. John asked if they would want the Commissioners Office to prepare the bid documents and put it out for public bid, and Don said yes. Mr. Hambley said that Carol Shockley is doing the lease agreement for the Health Department and Bill Thorne will review it for the Commissioners and Board of Elections. Bill Thorne said that is it appropriate to have a motion as far as the intent to enter into an agreement with some base terms that are not final until the actual lease is prepared.

Mrs. Geissman made a motion to approve the intent to enter into a lease agreement for the Board of Elections with the Board of Health; to authorize the County Administrator to go out for bids for the renovation of the space; and to employ Illes Architects for the project. Ms. Ray seconded the motion. Mrs. Geissman expressed dismay that all of our state's efforts and ridiculous expenses are because they can't vote in Florida. John Stricker said that one good thing about the new system is that it is more handicapped accessible. Don Simmons said that each port also comes with an audio system that plugs in and there will be one per precinct. Mr. Hambley asked if they would still do the card system for the absentee ballots. Don said that they would use an optical scan designed to integrate the two systems. Don commented on what Mrs. Geissman said about Florida's voting system. He said that Ohio's system is different and does not have Florida's problems. Every 88 Board of Elections in Ohio has its major parties

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

(Republican and Democrat) plus the Secretary of State. The party in power (the one with the Secretary of State) has the option of either selecting the President of the Board or the Director because they must be of opposite parties. The Deputy Director must be of the opposite party of the Director. People of opposite parties attend absentee voting. In Florida the Election Boards are made up of three elected people and very often they are three people from the same party. There is no check and balance as there is in Ohio. There is no rotation of the candidates on the ballots in Florida either as compared to a rotation in Ohio. Mrs. Geissman said that they should have corrected the voting method in Florida instead of the entire nation. There being no further discussion, Roll Call showed all Commissioners voting AYE.

Mrs. Geissman asked Don if they need all new furniture, and he said they would repaint and keep the file cabinets and one desk with two matching tables.

Mr. Stricker said that it should be noted that Don did a lot of the project on his own time. Otherwise they would have had to hire an architect a long time ago and they appreciate his efforts.

Ms. Ray asked if they are still planning on having a March primary election next year and Don said that is correct. He said they are supposed to have the certification by the Secretary of State by August 1st stating which systems are certified and the cost of each. Each Board of Elections will chose which system and how many units they want. Allegedly there is enough money to pay for it.

Ms. Ray asked if suppliers would be able to provide all of the units in time for all of the 88 counties to be in compliance. Don said that Diebold is in production and says that they would have no trouble. They have been making election equipment for other countries and have purchased a certified company in America in anticipation of this outcome after the Florida fiasco.

The next item for discussion was Leadership Medina reimbursement of expenses. Mr. Hambley said that several years ago when the class cost \$1,000, the original resolution authorized a \$900 county reimbursement with the person that attended paying \$100 out of pocket. Since then the fee has been increasing on a yearly basis. It came to Mr. Hambley's attention that the difference between the increase and what the employee paid was taken out of the Leadership Program's scholarship fund. He said that when they set that rate is was not his intent for county employees to utilize scholarship funds because they should be for non-profit agencies and agencies that could not afford to send people. He proposed passing a resolution authorizing the training expense with an increased amount reimbursed by the county of \$1,125. The Leadership Program now costs \$1,250.

Ms. Ray asked how the employees take the time off to participate.

Mr. Hambley said that it is treated like a regular training program and comes out of the employee's regularly scheduled time. The premise is that there is some value to their job in terms of interfacing and working within the community and with all the various agencies. It has been very beneficial for county department heads and supervisors that have participated. He said that he has brought up his concern with the large increase in fees that they are charging. The other Commissioners agreed to the increase of the county's reimbursement so Finance will have a resolution drawn up for next week.

Ms. Ray announced that Senator Dewine would be at the new Wadsworth Fire Station on Tuesday, July 1st to present grant awards if anyone wants to attend.

Ms. Ray said that she would be at the Ohio Option meeting for County Commissioners and CDJFS Directors on Monday, July 7th to discuss funding. Mr. Hambley, Chris Jakab, Gary Searle, and she went to a meeting last Friday with the Wayne County Commissioners. They expressed a desire to work with Medina County on the Workforce Development Program.

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

Ms. Ray also said she received an email from Congressman Regula's Office saying there has been some discussions from the Federal Marshall to Sheriff Hassinger about possibly putting the additional wing on the jail. They said they would be willing to help so this might be an option.

Mrs. Geissman said that she would call the Sheriff and find out what is going on since the Emergency Management Agency has indicated that they need more space.

Mrs. Geissman said that the Butler County Commissioners sent out letters to counties to protest the E-Check. They are asking the state that it be discontinued because there has been no documentation showing that the environment is cleaner and there is nothing to indicate that the E-Check is justified. She asked the other Commissioners about Medina County writing a letter of support of this position.

John Stricker said that when the state drafted the contract with E-Check they said if the program is discontinued they still have to pay for it. Based upon the State of Ohio's budget, they cannot afford to not continue it.

Mr. Hambley said if that initiative was eliminated from our metropolitan area, with the new air regulations, the EPA might force them to do something else, which might be worse. There were other strategies put in the plan when it was initiated in the early 1990's.

Mrs. Geissman felt this is something that was forced upon them ten years ago and they should write a letter of protest even though it was doubtful anything could be done.

Chris Jakab, Finance Director, reported that he went to Wood County and met with their Public Defender and is putting together a written summary of his visit so they can discuss it and how they should proceed.

Chris said that they submitted a request for a grant for tobacco use prevention and they received an award of \$43,800. It is being administered by the Medina County Drug Abuse Commission (MCDAC) with some coordination of services by contact through an RFP process. He asked for permission to sign off on the award since it is a new program and the Commissioners agreed.

John Stricker said that the American Red Cross asked for use of the Administration Building on October 1, 2003 from 10 a.m. to 3 p.m. to conduct a blood drive. The Balcony Rooms are available for that purpose and the Commissioners had no objections.

Ken Hotz, Sanitary Engineer, said that they are still gathering information on the Stonewater Subdivision fees and he will give them to the Finance Director to calculate.

Ken also said that the portable machine they brought in to make pellets is worn out so they are taking the fluff to Arkansas to make them and then ship it back. Eventually they will do a burn of the refuse-derived fuel.

Mr. Hambley said that the Chamber of Commerce is taking the North Court Business group and the Route 18 Corridor group and forming one group. He attended the meeting last week. The Medina City Service Director and Engineer talked about their storm water plan that has been approved.

Mrs. Geissman made a motion to go into Executive Session for the purpose of personnel compensation at 10:53 a.m. Ms. Ray seconded the motion. There was no discussion. Roll Call showed all Commissioners voting AYE.

After the Executive Session, the meeting was adjourned at 11:30 a.m. on a motion by Mrs. Geissman, which was seconded by Ms. Ray. Roll Call showed all Commissioners voting AYE.

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

RESOLUTIONS PASSED:

03-0499 RESOLUTION TO ALLOW CLAIMS AND AUTHORIZE ISSUANCE UPON THE TREASURER IN SETTLEMENT OF SUCH LIST OF CLAIMS

03-0500 RESOLUTION DETERMINING THE NECESSITY TO CLOSE W. 130TH STREET (C.H. 17) BETWEEN WEYMOUTH ROAD (S.R. 3) AND SLEEPY HOLLOW ROAD (C.H. 136)

03-0501 RESOLUTION APPROVING THE FINAL PLAT FOR STONEHURST SUBDIVISION LOCATED IN TRACT 1, LOT 10 OF BRUNSWICK HILLS TOWNSHIP

03-0502 RESOLUTION AMENDING THE 2003 APPROPRIATIONS RESOLUTION BY TRANSFERRING APPROPRIATIONS

03-0503 RESOLUTION AUTHORIZING COUNTY AUDITOR TO TRANSFER FUNDS FROM THE CHILD SUPPORT ENFORCEMENT FUND TO THE PROSECUTOR TITLE IV-D FUND

03-0504 RESOLUTION AUTHORIZING COUNTY AUDITOR TO TRANSFER FUNDS FROM THE CHILD SUPPORT ENFORCEMENT FUND TO THE COUNTY GENERAL FUND FOR DOMESTIC RELATIONS COURT SERVICES

03-0505 RESOLUTION AUTHORIZING THE PURCHASE OF 3,800 GALLONS OF PREMIUM UNLEADED AND 4,600 GALLONS OF REGULAR UNLEADED GASOLINE FOR THE ENGINEERING CENTER

03-0506 REVENUE ADJUSTMENT FOR WORKFORCE DEVELOPMENT FUND

03-0507 EXPENDITURE ADJUSTMENTS FOR VARIOUS FUNDS

03-0508 APPROVING A REVISED INTERNSHIP AGREEMENT BETWEEN MEDINA COUNTY PLANNING SERVICES DEPARTMENT AND THE UNIVERSITY OF AKRON

03-0509 APPROVING THE SUBMISSION OF AN FY 2004 OHIO HIGHWAY SAFETY SAFE COMMUNITIES MEDINA COUNTY PROGRAM GRANT APPLICATION

03-0510 CREATION OF A COMMUNITY CORRECTIONS ACT INTENSIVE SUPERVISION PROBATION/HOME ARREST PROGRAM GRAND FUND FOR FY04

03-0511 CREATION OF A COMMUNITY CORRECTIONS ACT INTENSIVE SUPERVISION PROBATION GRANT FUND FOR THE MEDINA COUNTY ADULT PROBATION DEPARTMENT FOR FY04

03-0512 CREATION OF OFFICE FOR OLDER ADULTS ADULT PROTECTIVE SERVICES FY04 FUND AND AUTHORIZING APPROPRIATIONS

03-0513 CREATION OF OFFICE FOR OLDER ADULTS A.D. NETWORK FY04 FUND AND AUTHORIZING APPROPRIATIONS

03-0514 CREATION OF A FAMILY FIRST COUNCIL HELP ME GROW FY04 GRANT PROGRAM FUND

03-0515 CREATION OF AN FY04 CHILDREN'S TRUST FUND GRANT FUND AND AUTHORIZING APPROPRIATIONS

03-0516 CREATION OF THE DRUG TASK FORCE FY03 FUND AND AUTHORIZING APPROPRIATIONS

COMMISSIONERS MEETING – MONDAY, JUNE 30, 2003

03-0517 CREATION OF THE JUVENILE COURT-MCDAC FY03 FUND AND AUTHORIZING APPROPRIATIONS

03-0518 CREATION OF THE FELONY DELINQUENT CARE FY04 FUND AND AUTHORIZING APPROPRIATIONS

03-0519 CREATION OF THE WORKFORCE DEVELOPMENT FY03 FUND AND AUTHORIZING APPROPRIATIONS

03-0520 RESOLUTION ACCEPTING AND AWARDING THE BID FOR THE MEDINA COUNTY RECORDER'S OFFICE DOCUMENT SCANNING SERVICES

03-0521 RESOLUTION APPROVING PERSONNEL CHANGES FOR THE EMPLOYEES UNDER THE JURISDICTION OF THE MEDINA COUNTY COMMISSIONERS

03-0522 RESOLUTION AMENDING THE TABLE OF ORGANIZATION FOR MEDINA COUNTY OFFICE FOR OLDER ADULTS

03-0523 RESOLUTION TO SUBMIT APPLICATION FOR FUNDING UNDER THE SMALL CITIES COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM FOR FISCAL YEAR 2003
