- A. Medina County pays employees by warrant. A warrant is similar to a check in that it is a negotiable instrument that is drawn on the treasury of the County.
- B. The work week begins at 12 midnight on Sunday and ends at 11:59:59 p.m. seven days later on the following Saturday.
- C. Employees are paid biweekly every other Friday. Normally, pay will not be distributed prior to the authorized payday.
  - 1. The pay period covers two (2) weeks and ends on the second Saturday of the bi-weekly pay period. Employees are paid every other Friday for the two (2) preceding weeks.
  - 2. Warrants/direct deposit vouchers are available for departmental pick-up from Human Resources by the designated employee beginning at 8:00 a.m. on Friday.
  - 3. Warrants should not be held in a department longer than three working days. If a check has not been claimed, it should be returned to Human Resources. If a check is distributed incorrectly, that check should be returned to Human Resources immediately.
  - 4. In the event that a regularly scheduled payday falls on a holiday, employees will be paid on the day before the regularly scheduled payday. If a regular payday falls during a staff employee's vacation, the employee's pay will be available upon his or her return from vacation.
  - 5. Federal, state, and municipal laws require automatic deductions of appropriate taxes and other deductions from employee's wages including PERS. Employees hired after April 1, 1986, must also pay the Medicare tax of 1.45% of gross salary.
  - 6. Other voluntary payroll deductions include: insurance and deferred compensation, etc.

7. The employee is responsible to review the information on his/her pay stub to ensure accurate payment, deductions, and balances.
  8. Employees are also responsible for notifying their Supervisors or payroll personnel of any status change in tax, address, bank, or any other information that may affect payroll.
- D. Employees must have pay directly deposited into their bank accounts by completing the Direct Deposit Authorization Form, available through Human Resources. Employees will receive an itemized non-negotiable statement of wages and deductions when receiving direct deposits as they would if they were receiving a negotiable warrant.
1. Employees first and last pays will not be direct deposit, a negotiable warrant will be issued by the Auditor. This warrant must be cashed/deposited.
  2. When a direct deposit is changed the employee may also receive a negotiable warrant.
  3. Employees are permitted to divide their deposit into more than one account.
- E. Employees are to immediately report the loss of a warrant to Human Resources. An immediate replacement is not possible. The employee will be required to sign an indemnity bond and a warrant will then be reissued to the employee by the Auditor's office in approximately three (3) working days.
- F. Payroll Calendar
